Dear Carol,

Thanks again for writing the minutes for the meeting last Thursday. It's a hellishly difficult job with so many people contributing, often all at once!

Hamish, Mike and I have now had a look at the draft and I've attached an amended version which we feel is fairer reflection of what we said. We didn't want to tinker too much, but I hope you agree that what we've added is reasonable. I've attached a final edit and one showing where the changes were made for information.

I'd be very grateful if you could post round the attached revised version to all who attended and any others you have circulated the minute to.

Thanks again for a very useful meeting and we look forward to meeting with SGA and the moorland groups again in the near future.

Best wishes,

Will.

Carol

Thanks for the note. While I see this tries to cover all that was said, I'm afraid I can't accept this as an accurate record of what was said by Will, Mike and I. I would welcome an opportunity to provide some amendments before the note is circulated to others.

Regards
Hamish
