Ok, so we cannot make that change.

I've still not heard back from [REDACTED] about the other change.

[REDACTED] did conclude his email to me by saying it's probably too late. So he's prepared for it not to be made this time if it wasn't possible.

Thanks

Hi [REDACTED]

I am more than happy for the comment to be changed on the basis that it is fact and as I scrutinised the data I know it to be true. Therefore I would say do it as it is only stating fact, not opinion. If we waited for the remainder of the group that would take some time for something they don't know and it would be on my say-so anyway,

Many thanks,

Martin

Hello Martin,

I missed an issue the RSPB raised at the last UAT. Would the Group as a whole be happy to make this amendment?

I don't know yet if it is too late to make the change for this first publication, but an early response would be appreciated.

Thanks,
